

# CREDITORS DEMAND CASH

## Must Raise \$12,000 in 12 Days TO PAY SCHILLING'S BILLS

**\$1.00  
OVERALLS

Eastern creditors demand their money at that time. We asked for a further extension of time, and it was granted by some, but others have wired demanding payment, and I will meet these demands, for I am going to throw enough of this fine new fall stock on the market (regardless of former price or whole-sale cost) to meet these demands and avert a disaster to Schilling's business. If prices are any object, and they always are to wide-awake buyers, then I will succeed, for I have cut prices in half in many instances.
